## Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the dealer may thereby make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

The weather: Fair today and tomorrow; continued cold.

Duncan M. Sims, aged 87, died Tuesday at his home near Elizaville.

Mr. Dudley Bradley of near the Maysville cemetery lost a fine horse last night with lock-jaw.

Young Maurice Coughlin, at Wilson Hospital, though seriously ill, is reported somewhat better this morning.

The City Council at Flemingsburg has passed an ordinance requiring residents to clean snow from their sidewalks.

The boys were out until a late hour last night enjoying the exhilarating sport of coasting down Market street.

J. L. Bean of Springdale sold his crop of tobacco yesterday at the Tuck-cho Warehouse for \$13.99 per hundred. The day's sale averaged \$10.

### INCIPIENT FIRES

The "Kinney Mac" On the Job and On Time to the Minute

Chief Ed. Hite had his first run last evening about 4:30 o'clock in answer to a call from District 36, the fire being located in the third story of the residence of Mr. Frank Devine in Market street. The blaze was caused by a cross timber in a chimney catching fire. Chief Hite extinguished the flame with several buckets of water, a hydrant being near at hand in the room, thus avoiding using the chemical apparatus. The damage was small and fully covered by insurance.

About 8:30 another call was sent in, this time from District No. 23, and located in the L. M. Cavendish & Co.'s 5 and 10c store, corner of Second and Sutton streets.

It was fortunate that Mr. Lane Rudy, clerk in the establishment, discovered smoke issuing from the storage room in the cellar when he did, and the prompt call and response of the Fire Department, else there would have been a different story to tell this morning. When the firemen arrived there was considerable blaze under the steps leading to the first floor, and the big chemical apparatus had a hard fight in subduing the flames.

No one seems to know the origin of the fire. The place was full of Christmas goods in bulk, and just what the damage is yet unknown.

Here are two more instances in which the Department prevented loss by getting there on time and doing the work.

### IN MEMORIAM

With the passing of Charles B. Pearce another member of a pioneer family has gone from us. He was born in an obscure village of a neighboring county, but at an early age an ambitious spirit impelled him to seek a larger field for activity and he moved to Maysville. Seeking a vocation along the lines of natural aptitude he embarked in business with a well known firm of that day and soon became identified with some of the leading business institutions of this city. Broad minded and possessing splendid judgment, his advice was frequently sought and his influence made its impress on all affairs in which he was interested. He took a keen interest in political life and was elected a member of the City Council for several successive terms, and was a conspicuous member of that Board at the time of his death. He was an indefatigable worker and although in failing health for several years he labored on to the last with untiring energy and undaunted zeal, conscientiously serving the interests he represented. His prominence in the business world and the high esteem in which he was held by the people of all walks of life, make his demise a source of deep regret to this community. As a fitting tribute to his memory and a partial recognition of his worth as a citizen and a member of this body, therefore, be it—

Resolved, That in the death of Charles B. Pearce the City Council loses a beloved member whose geniality endeared him to all, and whose absence will cast a shadow upon our future meetings; and

Resolved, That these resolutions be made part of the official records of this meeting of Council and a page be especially set apart for that purpose; and further

Resolved, That a copy of the action of this Board be sent to the bereaved members of the family of the deceased.

Signed,  
J. C. EVERETT,  
S. R. HAROVER,  
A. CLOONEY,  
Committee.

### Three Saving Graces Guaranteed by Underfeed Furnaces and Boilers

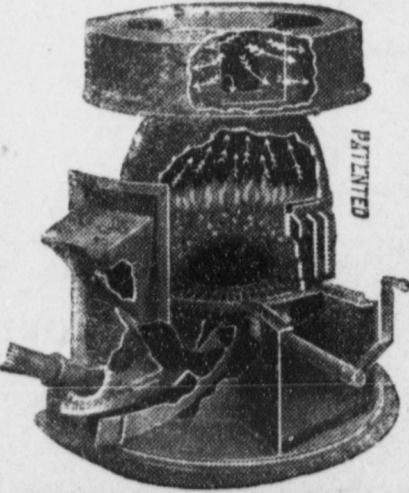

### MONEY TIME LABOR

The Underfeed Heating Systems have enabled thousands of users in all parts of Uncle Sam's broad domain to

SAVE 1/2 TO 3/4 OF COAL BILLS

This is well worth anybody's careful attention in these days when the high cost of living is such an important factor.

Low-priced slack will yield as much clean, even heat in the Underfeed as costlier anthracite which topfeeds require. The Underfeed Coal-Burning Way is endorsed by all great municipalities as Best for Health. It saves at every point because smoke and gases are consumed and turned into heat units. Ashes are few and the apparatus is easy to manage and operate. Used and endorsed by many Maysville citizens. ### FOR A LONG LIFE

Fresh air and exercise, with proper food and a sufficient amount of sleep, are the essentials.

Under such a regime of living, germs cannot develop and many diseases are prevented.

Should the system require a tonic, take only such as you know their ingredients—such is Vinol, which is a delicious combination of the health-giving properties of the cod's livers, with all the useless grease eliminated and tonic iron added, happily blended in a mild, medicinal wine.

For this reason Vinol is regarded as one of the greatest body builders and invigorators for aged people. It invigorates and builds them up and keeps them up.

We sell Vinol with the understanding that if it does not give satisfaction the price will be returned. John C. Pecor, Druggist, Maysville, Ky.

IMMEDIATE revision of the Tariff is the slogan adopted by Representative VICTOR MURDOCK, one of the "leading" leaders of the Insurgents in the House.

ACCORDING to CHAMP CLARK, the Democrats aren't half so anxious to monkey with the Tariff Bill now as they were before election.—Detroit Free Press.

They know a buzz saw when they see it.—Cincinnati Enquirer.

MR. BLAISDELL of St. Louis, who has written 1,144 words in ten minutes on a typewriting machine, should offer his services to Col. ROOSEVELT, who wants to explain why the landslide slid.—Courier-Journal.

Or what a blessing such a typewriter would be to one of the revolting South American Republics which do all their warring per typewriter.

PRESIDENT TAFT has started in to give the Insurgents a square deal in the full sense of the word, and if a condition of harmony does not develop it will be because they are uncompromising and prefer a rule-or-ruin policy, which cannot be anything but advantageous to the Democrats.

KIOTO, JAPAN, is spoken of as the "park of the world." Everything there is beautiful. It was formerly the capital of the Empire. It has a population of 380,000. Within the city limits are 378 Buddhist Temples and eighty-two Shinto shrines. The principal products are pottery and porcelain, cut velvets, cloisonne wares, brocades and embroideries. The beauty of the products is significant of the beauty of the place.

MARSE HENRI WATTERSON of The Courier-Journal was recently asked by one of his admirers, a young man of the South, for his advice as to how he might

"make a success of his life," and in stating his case said, among other things:

"I have been raised by a mother who has a horror of liquor and immorality. My recreations have been reading, athletics and outdoor drill. I know little of 'the boys,' less of women. Would you, for success in life, advise me to mingle more with men and women, to visit respectable saloons and drink moderately? Does a total abstainer have as good a chance to make business friends?"

The asked for advice was given in an editorial in The Courier-Journal of November 26th, 1910, and contains among other things, the following:

"We would say that 'the total abstainer' has very much the best chance of success in life. The 'Saloon' as it is commonly conducted in America is an indefensible quantity. No written or printed rescript for success in life is possible beyond a few simple precepts; to be honest, and first of all, with one's self, and all others; to be sober, industrious, dutiful and civil; to cultivate good-will by being good-humored; shun evil, hold fast and trust to God. In the long run the young man of reasonable aptitude who pursues this general line cannot fail. As to the recreations and amusements of the young, they should be taken with care and temperance, mindful how easily habits, tending to bad habits, are acquired. Cards not at all, whether for fun or money—for where they do not waste money they waste time. They are, indeed, the last resort of the aged, to whom the more robust recourse of out-of-door sports is measurably denied."

PRACTICAL HUSBAND.

Mrs. B.—I know my husband truly loves me.

Mrs. W.—All young wives think that. I suppose it is because he swears he would die for you, doesn't he?

Mrs. B.—No; he brings up the coal.

Consumption Often Develops From Pneumonia

Consumption readily attacks those who have had pneumonia. Many sufferers from tuberculosis give a history of having had pneumonia. The lungs thus weakened are more easily attacked by the germs that cause consumption. For all those with "weak lungs," especially those who have had pneumonia, Eckman's Alternative is the appropriate remedy. Cures of consumption are accomplished by Eckman's Alternative. But take it in time. There is no wisdom in waiting until tuberculosis is established. Health is never fully valued until sickness comes. A remarkable recovery follows—240 Powelton Ave., Phila., Pa. Gentlemen: "I wish I had known of Eckman's Alternative two years ago. Since taking it I have gained twenty-eight pounds and I cannot but be very thankful to you and the Almighty God for the great blessing and change of health it has brought me." (Signed) THOMAS REILLY. Eckman's Alternative cures Bronchitis, Asthma, Hay Fever, Throat and Lung Affections. Ask for booklet of cured cases and write to the Eckman Laboratory, Philadelphia, Pa., for additional evidence. For Sale by all leading druggists and J. James Wood & Son in Maysville.

Mr. Harry Pheasant, one of the Home Comfort Range Company's salesmen, who was badly bitten in the leg by a mad dog a few weeks since in Bath county, is not improving, and it is now stated that the leg will have to be amputated in order to save his life. He is now at the Company's headquarters at Carlisle.

HANDICAPPED.

This is the Case With Many Maysville People.

Too many Maysville citizens are handicapped with a bad back. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest, and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys. Doan's Kidney Pills cure sick kidneys and cure them permanently. Can you doubt Maysville evidence?

Mrs. Nathan A. Hafer, Maysville, Ky., says: "My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by kidney complaint, during which time I tried various remedies without obtaining benefit. There was a constant, dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was also subject to nervous headaches and dizzy spells, and on arising in the morning I felt tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. Jas. Wood & Son's Drugstore. They cured me in a short time."
